Max Power Consumption	13W	10W/13W
All-Inclusive Kit	—	✓

Point-to-Point Solutions

EW75000-13

- +Up to 20mi Point to Point connections
- +Powerful 19dBi Directional Antenna
- +Includes advanced management via web browser
- +Built-in Troubleshooting tools
- +Up to 867Mbps transmission speeds
- +IP67 weather-proof for outdoor use

EW75000-08

- +Up to 3mi connections
- +Built-in Omni-Directional antennas for 360 degree coverage
- +Includes advanced management via web browser
- +Built-in Troubleshooting tools
- +IP67 weather-proof for outdoor use

EW75200-1308

- +Up to 20mi connections
- +Two 5GHz Radios in one unit
- +Powerful 19dBi Directional Antenna
- +External 8dBi Omni-Directional Antennas
- +Included advanced management via web browser
- +Built-in Troubleshooting tools
- +Up to 867Mbps transmission speeds
- +IP67 weather-proof for outdoor use

Multipoint Solution

EW75000-13MP

- +Up to 20mi connections
- +Point-to-Point or Point-to-Multipoint
- +Powerful 19dBi Directional Antenna
- +Includes advanced management via web browser
- +Built-in Troubleshooting tools
- +Up to 867Mbps transmission speeds
- +IP67 weather-proof for outdoor use

EtherWAN

EasyLink Series

Point-to-Point Solutions

EASY LINK PRO SERIES

- +No setup needed
- +Connections up to 2 miles away
- +Up to 867Mbps transmission speeds
- +Connect up to five 4k cameras
- +Wall and pole mounting included
- +Built-in GUI for statistics and fine-tuning

EASY LINK 300 SERIES

- +No setup needed
- +Connections up to 2 miles away
- +Up to 300Mbps transmission speeds
- +Connect up to three 4k cameras
- +All mounting, injectors and power supplies included

Multipoint Solution

EasyLink MP

- +No setup needed
- +Connect up to 6 units
- +Connections up to 2 miles away
- +Up to 300Mbps transmission speeds
- +Connect up to three 4k cameras per client
- +All mounting, injectors and power supplies included
